

Sadza Marimba & Mbira Band

**Some quotes from our fans:**

"Joyous, uplifting and fun, the organic tones and pulsating rhythms of Sadza were one of the highlights of the 2006 Monterey Jazz Festival!"

-Tim Jackson, artistic director

"Sadza embodies the most lively, engaging, and fun stage presence. They smile while they play, they smile at each other, and they connect with the audience!"

- James Von Hendy

- Paul L. Knight

"What a great time! Everywhere you looked, people had broad smiles on their faces. The sound of the marimbas and other instruments evoked sunny Caribbean beaches. Can you imagine waking up every day to this kind of music? It would be paradise!"

- J. Sooby

"Your music the other evening was blissful. Thank you for making the perfect ending to our evening."

- Jesse Baldwin

"Your music was absolutely fabulous. The singing came through very well, and it couldn't have been better. The variety of your program was also much appreciated."

- Paul Hostetter

"Thank you for the wonderful music at our party. It was quite a lively afternoon! Thank you all again for helping make the afternoon so delightful."

- Christine Eckstrom

"My family and I really enjoyed your show at Kuumbwa last night. And even though it is great to hear and see you in person, your new CD goes fabulously with our pajamas, pancakes and eggs this morning!"

- Sharon Sweet

"I noticed that on both sides of the street there were baby carriages with infants and toddlers, legs bobbing to the beat of your music. One baby, across Pacific from you and moving away, was sitting fully up, body twisted to look back to see where the sound was coming from. Babies (small ones!) are clearly tuned to your music and they've got lots of rhythm. It made me smile to see that movement. Congratulations! You should be honored! And thanks for spreading your music today."
